USE OF THIS FORM

If you are an OSF Division F member, you can use this form to increase your existing Death and Total and Permanent Disability (TPD) or Death-only insurance cover as a result of one of the 'life events' shown in section 2.

Before completing this form, you should note that under the life events cover option:

- You can only apply to increase existing Death and TPD or Death-only cover .
- You must apply to increase your cover within 120 days of the life event occurring.
- You cannot apply to increase cover if:
 - you do not currently have insurance cover in your OSF Division F account (or if your cover has ended under the policy),
 - you are not actively employed (where 'active employment' means you are employed by your employer to carry out identifiable duties, you are actually performing those duties, and in the insurer's opinion, you are not restricted by sickness or injury from being capable of performing those duties on a full-time basis and the duties of your normal occupation on a full-time basis (even if not then working on a full-time basis), or
 - you are terminally ill or totally and permanently disabled.
- You can exercise the life events cover option more than once (except for the mortgage/refinance option, which can only be exercised once) but you cannot apply to increase your cover under the life events cover option more than once in any 12-month period.
- Any exclusions or restrictions that currently apply to your insurance cover will also apply to any increased cover provided under the life events cover option.

If you are not eligible under the life events cover option, or if you do not currently have insurance cover, you can apply for cover through the insurer's normal underwriting process by completing the Insurance Application Form available from our website osfsuper.com.au.
